Women’s Studies Course Evaluation
Spring 2011

1. What is the name of the Women’s Studies course you are taking?

2. What are the strengths of this course as a Women’s Studies course?

3. Do you have any suggestions for ways to improve this course?

4. How do the course’s readings/films/music/art achieve the goals of the course?

5. For non-Women’s Studies minors: Would you like to take more courses with a similar subject matter? How did this course contribute to your major and your education at Loyola?

6. If you are a Women’s Studies minor/major: How does this course fit in with others you have taken as part of the Women’s Studies minor?
